Extension and Outreach Programs Consolidated Report for 2022-23

Introduction

This consolidated report provides an overview of the extension and outreach programs conducted by Christian College of Engineering & Technology (CCET) for the academic year 2022-23. Each activity aimed to foster community engagement, provide valuable experiences to students, and address various social, educational, and environmental issues.

Detailed Reports for Each Activity (2022-23)

1. Consumer Rights Awareness Programme

Details	Information
Activity Name	Consumer Rights Awareness Programme
Organising Unit/Agency/Collaborating Agency	Consumer Rights Dept, Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2023
Number of Students Participated	60
Details of the Collaborating Agency	Government body responsible for consumer rights education and enforcement
Role and Contribution	Provided expertise and materials on consumer rights

Introduction: The Consumer Rights Awareness Programme aimed to educate students and community members about their consumer rights and how to protect them.

Activities Conducted: Sessions on consumer rights and protections, distribution of informational materials.

Outcomes and Impact: Increased awareness of consumer rights among participants, empowerment of consumers to make informed decisions.

Feedback: Positive remarks about the relevance and importance of the sessions, suggestions for more frequent and detailed workshops.

2. Special Camp to Boothamalai

Details	Information
Activity Name	Special Camp to Boothamalai
Organising Unit/Agency/Collaborating Agency	NSS Cell CCET
Name of the Scheme	NSS
Year of the Activity	2023
Number of Students Participated	30
Details of the Collaborating Agency	CCET NSS unit
Role and Contribution	Organized logistics and activities for community service

Introduction: The Special Camp to Boothamalai was organized to provide community service and engage students in various developmental activities.

Activities Conducted: Community service projects, educational and recreational activities for local residents.

Outcomes and Impact: Enhanced community engagement, development of leadership and organizational skills among students.

Feedback: Appreciation for the well-organized activities and the positive impact on the community, recommendations for extending the duration of the camp.

3. Blood Donation Camp

Details	Information
Activity Name	Blood Donation Camp
Organising Unit/Agency/Collaborating Agency	Christian Fellowship Hospital, Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2023
Number of Students Participated	60
Details of the Collaborating Agency	Hospital providing medical services
Role and Contribution	Conducted the blood donation drive and health check-ups

PRINCIPAL

CHRISTIAN COLLEGE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai.)

Introduction: The Blood Donation Camp was aimed at addressing the need for blood donations and promoting the importance of regular blood donation among students and the community.

Activities Conducted: Blood donation drives, health check-ups and awareness sessions.

Outcomes and Impact: Significant contributions to the local blood bank, increased awareness about the health benefits of blood donation.

Feedback: Positive feedback from participants on the smooth organization and professional conduct of the camp, suggestions for more frequent blood donation drives.

4. Wearing Helmet Awareness Programme

Details	Information
Activity Name	Wearing Helmet Awareness Programme
Organising Unit/Agency/Collaborating Agency	Traffic Police and Team from Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2023
Number of Students Participated	120
Details of the Collaborating Agency	Traffic police responsible for road safety
Role and Contribution	Delivered sessions on the importance of wearing helmets and demonstrated safe riding practices

Introduction: The Wearing Helmet Awareness Programme aimed to promote road safety and the importance of wearing helmets among students and the community.

Activities Conducted: Sessions on the importance of helmet usage, demonstrations of safe riding practices.

Outcomes and Impact: Increased awareness of road safety measures, encouraged the use of helmets to prevent head injuries.

Feedback: Positive feedback on the practical demonstrations and informative sessions, requests for additional safety workshops covering other aspects of road safety.

5. AIDS Awareness Programme in KR School

Details	Information
Activity Name	AIDS Awareness Programme in KR School
Organising Unit/Agency/Collaborating Agency	KR School, Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2023
Number of Students Participated	30
Details of the Collaborating Agency	Local school in Oddanchatram
Role and Contribution	Hosted the program and facilitated sessions for students

Introduction: The AIDS Awareness Programme in KR School aimed to educate students about AIDS prevention, treatment, and the importance of removing the stigma associated with the disease.

Activities Conducted: Educational sessions on AIDS prevention and awareness, distribution of informational pamphlets.

Outcomes and Impact: Increased knowledge about AIDS among students, promoted a supportive and informed community environment.

Feedback: Positive feedback on the informative nature of the sessions, suggestions for more interactive sessions and real-life stories to enhance understanding.

6. Tree Plantation Awareness Programme in KR School

Details	Information
Activity Name	Tree Plantation Awareness Programme in KR School
Organising Unit/Agency/Collaborating Agency	KR School, Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2023
Number of Students Participated	60
Details of the Collaborating Agency	Local school in Oddanchatram
Role and Contribution	Provided space and support for tree plantation activities

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai.)

Introduction: The Tree Plantation Awareness Programme aimed to promote environmental conservation and the importance of planting trees among students.

Activities Conducted: Tree planting activities, educational sessions on the importance of environmental conservation.

Outcomes and Impact: Increased awareness of environmental conservation, active participation in tree plantation by students and community members.

Feedback: Positive feedback on the hands-on experience and the environmental lessons, recommendations for regular follow-up activities to ensure the growth of planted trees.

7. Rally about Importance of Traffic Rules

Details	Information
Activity Name	Rally about Importance of Traffic Rules
Organising Unit/Agency/Collaborating Agency	Oddanchatram Police Station to CCET Campus
Name of the Scheme	NSS
Year of the Activity	2023
Number of Students Participated	120
Details of the Collaborating Agency	Local police station
Role and Contribution	Coordinated the rally and provided safety guidelines

Introduction: The Rally about the Importance of Traffic Rules aimed to raise awareness about traffic rules and promote road safety among the community.

Activities Conducted: Rally to raise awareness about traffic rules and safety, distribution of safety guidelines and pamphlets.

Outcomes and Impact: Increased awareness of traffic rules and road safety, promoted responsible behavior among road users.

Feedback: Positive remarks on the organization and impact of the rally, suggestions for similar initiatives in different locations.

8. Cleaning Work in Vadakadu Village

Details	Information
Activity Name	Cleaning Work in Vadakadu Village
Organising Unit/Agency/Collaborating Agency	Vadakadu Village
Name of the Scheme	NSS
Year of the Activity	2023
Number of Students Participated	60
Details of the Collaborating Agency	Local village administration
Role and Contribution	Provided support and resources for the cleaning drive

Introduction: The Cleaning Work in Vadakadu Village aimed to improve the cleanliness and hygiene of the village, promoting a healthier living environment.

Activities Conducted: Community cleaning activities, waste management and recycling initiatives.

Outcomes and Impact: Enhanced cleanliness and hygiene in the village, increased awareness about waste management and recycling among villagers.

Feedback: Positive feedback on the improvement in cleanliness and the community's participation. Suggestions for regular cleaning drives and educational programs on waste management were also provided.

9. AIDS Awareness Programme in Vadakadu Village

Details	Information
Activity Name	AIDS Awareness Programme in Vadakadu Village
Organising Unit/Agency/Collaborating Agency	Vadakadu Village
Name of the Scheme	NSS
Year of the Activity	2023
Number of Students Participated	60

Introduction: The AIDS Awareness Programme in Vadakadu Village aimed to educate the villagers about AIDS prevention, treatment, and reducing the stigma associated with the disease.

Activities Conducted: Educational sessions on AIDS prevention and awareness, distribution of informational pamphlets.

Outcomes and Impact: Increased knowledge about AIDS among villagers, promoted a supportive and informed community environment.

Feedback: Positive feedback on the informative sessions and the approachability of the facilitators. Suggestions for follow-up programs to reinforce the messages were provided.

10. Health Awareness Programme in Vadakadu Village

Details	Information
Activity Name	Health Awareness Programme in Vadakadu Village
Organising Unit/Agency/Collaborating Agency	Vadakadu Village
Name of the Scheme	NSS
Year of the Activity	2023
Number of Students Participated	30
Details of the Collaborating Agency	Local village administration
Role and Contribution	Conducted health check-ups and educational sessions

Introduction: The Health Awareness Programme in Vadakadu Village aimed to educate villagers about basic health practices, disease prevention, and the importance of regular health check-ups.

Activities Conducted: Health check-ups, educational sessions on health and hygiene practices.

Outcomes and Impact: Improved health awareness and practices among villagers, early detection of health issues through check-ups.

Feedback: Positive feedback on the health services provided and the educational content. Recommendations for more frequent health camps and broader medical services were given.

Extension and Outreach Programs Consolidated Report for 2021-22

Introduction

This consolidated report provides an overview of the extension and outreach programs conducted by Christian College of Engineering & Technology (CCET) for the academic year 2021-22. Each activity aimed to foster community engagement, provide valuable experiences to students, and address various social, educational, and environmental issues.

Detailed Reports for Each Activity (2021-22)

1. Blood Donation Awareness Programme

Details	Information
Activity Name	Blood Donation Awareness Programme
Organising Unit/Agency/Collaborating Agency	Christian Fellowship Hospital, Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2022
Number of Students Participated	60
Details of the Collaborating Agency	Hospital providing medical services
Role and Contribution	Conducted awareness sessions on the importance of blood donation

The Blood Donation Awareness Programme aimed to educate students and community members about the importance of regular blood donation. Activities conducted included awareness sessions on the benefits and process of blood donation. The outcomes and impact were increased awareness about the significance of blood donation among participants. Positive feedback was received, highlighting the informative nature of the sessions and the need for more such awareness programs.

2. Blood Donation Camp

Details	Information
Activity Name	Blood Donation Camp
Organising Unit/Agency/Collaborating Agency	Christian Fellowship Hospital, Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2022
Number of Students Participated	60
Details of the Collaborating Agency	Hospital providing medical services
Role and Contribution	Conducted the blood donation drive and health check-ups

The Blood Donation Camp aimed to address the need for blood donations and promote the importance of regular blood donation among students and the community. Activities conducted included blood donation drives and health check-ups. The outcomes and impact were significant contributions to the local blood bank and increased awareness about the health benefits of blood donation. Positive feedback was received from participants on the smooth organization and conduct of the camp.

3. CCET Campus Cleaning Programme

Details	Information
Activity Name	CCET Campus Cleaning Programme
Organising Unit/Agency/Collaborating Agency	NSS Cell CCET
Name of the Scheme	NSS
Year of the Activity	2022
Number of Students Participated	120
Details of the Collaborating Agency	CCET NSS unit
Role and Contribution	Organized cleaning activities within the campus

The CCET Campus Cleaning Programme aimed to promote cleanliness and hygiene within the campus. Activities conducted included campus-wide cleaning activities. The outcomes and impact were enhanced cleanliness and hygiene in the campus environment. Positive feedback was received on the cleanliness drive and suggestions for regular cleaning activities.

4. Tree Plantation Awareness Programme in Kalanji Patty School

Details	Information
Activity Name	Tree Plantation Awareness Programme in Kalanji Patty School
Organising Unit/Agency/Collaborating Agency	Kalanji Patty School
Name of the Scheme	NSS
Year of the Activity	2022
Number of Students Participated	90
Details of the Collaborating Agency	Local school
Role and Contribution	Provided space and support for tree plantation activities

The Tree Plantation Awareness Programme aimed to promote environmental conservation and the importance of planting trees among students. Activities conducted included tree planting activities and educational sessions on environmental conservation. The outcomes and impact were increased awareness of environmental conservation and active participation in tree plantation. Positive feedback was received on the hands-on experience and environmental lessons.

5. Conduction of Rally

Details	Information
Activity Name	Conduction of Rally
Organising Unit/Agency/Collaborating Agency	Oddanchatram Bus Stand to CCET
Name of the Scheme	NSS
Year of the Activity	2022
Number of Students Participated	60
Details of the Collaborating Agency	Local authorities
Role and Contribution	Coordinated the rally and provided safety guidelines

The rally aimed to raise awareness about a specific social or environmental issue among the community. Activities conducted included a rally through designated routes and distribution of informational materials. The outcomes and impact were increased awareness of the organization among participants and the community. Positive remarks were received on the organization and impact of the rally.

Activities conducted included educational sessions on AIDS prevention and awareness, and distribution of informational pamphlets. The outcomes and impact were increased knowledge about AIDS among villagers, and promotion of a supportive and informed community environment. Positive feedback was received on the informative sessions and the approachability of the facilitators, with suggestions for follow-up programs to reinforce the messages.

15. AIDS Awareness Programme in Bethelpuram Village

Details	Information
Activity Name	AIDS Awareness Programme in Bethelpuram Village
Organising Unit/Agency/Collaborating Agency	Bethelpuram Village
Name of the Scheme	NSS
Year of the Activity	2022
Number of Students Participated	60
Details of the Collaborating Agency	Local village administration
Role and Contribution	Facilitated awareness sessions and distributed informational materials

The AIDS Awareness Programme in Bethelpuram Village aimed to educate the villagers about AIDS prevention, treatment, and reducing the stigma associated with the disease. Activities conducted included educational sessions on AIDS prevention and awareness, and distribution of informational pamphlets. The outcomes and impact were increased knowledge about AIDS among villagers, and promotion of a supportive and informed community environment. Positive feedback was received on the informative sessions and the approachability of the facilitators, with suggestions for follow-up programs to reinforce the messages.

Conclusion

This consolidated report captures the essence of the various extension and outreach programs conducted by CCET during the academic year 2021-22. Each activity was aimed at fostering community engagement, providing practical experiences to students, and addressing key societal issues. The detailed reports for each activity are available upon request, offering in-depth insights into the planning, execution, and outcomes of these initiatives.

Extension and Outreach Programs Consolidated Report for 2019-20

Introduction

This consolidated report provides an overview of the extension and outreach programs conducted by Christian College of Engineering & Technology (CCET) for the academic year 2019-20. Each activity aimed to foster community engagement, provide valuable experiences to students, and address various social, educational, and environmental issues.

Detailed Reports for Each Activity (2019-20)

1. Blood Donation Camp

Details	Information
Activity Name	Blood Donation Camp
Organising Unit/Agency/Collaborating Agency	Christian Fellowship Hospital, Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2020
Number of Students Participated	60
Details of the Collaborating Agency	Hospital providing medical services
Role and Contribution	Conducted the blood donation drive and health check-ups

Introduction: The Blood Donation Camp aimed to address the need for blood donations and promote the importance of regular blood donation among students and the community.

Activities Conducted: Blood donation drives and health check-ups.

Outcomes and Impact: Significant contributions to the local blood bank and increased awareness about the health benefits of blood donation.

Feedback: Positive feedback was received from participants on the smooth organization and conduct of the camp, with suggestions for more frequent blood donation drives.

2. Tree Plantation Program

Details	Information
Activity Name	Tree Plantation Program
Organising Unit/Agency/Collaborating Agency	NSS Cell CCET
Name of the Scheme	NSS

PRINCIPAL
Christian College of Engg. & Tech.,
Oddanchatram - 624 619
Dindigul District

ODDANCHATRAM – 624 619, DINDIGUL DISTRICT, TAMILNADU.

Mobile: +91 - 9524124125

CHRISTIAN COLLEGE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai.)

Details	Information
Year of the Activity	2020
Number of Students Participated	30
Details of the Collaborating Agency	CCET NSS unit
Role and Contribution	Organized tree plantation activities

Introduction: The Tree Plantation Program aimed to promote environmental conservation and the importance of planting trees among students.

Activities Conducted: Tree planting and educational sessions on environmental conservation.

Outcomes and Impact: Increased awareness of environmental conservation and active participation in tree plantation.

Feedback: Positive feedback was received on the hands-on experience and environmental lessons, with recommendations for regular follow-up activities to ensure the growth of planted trees.

3. Marathon

Details	Information
Activity Name	Marathon
Organising Unit/Agency/Collaborating Agency	NSS Cell CCET
Name of the Scheme	NSS
Year of the Activity	2020
Number of Students Participated	120
Details of the Collaborating Agency	CCET NSS unit
Role and Contribution	Organized the marathon event

Introduction: The Marathon aimed to promote health and fitness among students and the community.

Activities Conducted: Organizing the marathon event and providing health and fitness tips.

Outcomes and Impact: Increased awareness of the importance of physical fitness and active participation in the marathon.

CHRISTIAN COLLEGE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai.)

Feedback: Positive feedback was received on the organization and conduct of the event, with suggestions for making it an annual event.

4. Wearing Helmet Awareness Programme

Details	Information
Activity Name	Wearing Helmet Awareness Programme
Organising Unit/Agency/Collaborating Agency	Traffic Police and Team from Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2020
Number of Students Participated	60
Details of the Collaborating Agency	Traffic police responsible for road safety
Role and Contribution	Delivered sessions on the importance of wearing helmets and demonstrated safe riding practices

Introduction: The Wearing Helmet Awareness Programme aimed to promote road safety and the importance of wearing helmets among students and the community.

Activities Conducted: Sessions on the importance of helmet usage and demonstrations of safe riding practices.

Outcomes and Impact: Increased awareness of road safety measures and encouraged the use of helmets to prevent head injuries.

Feedback: Positive feedback was received on the practical demonstrations and informative sessions, with requests for additional safety workshops covering other aspects of road safety.

5. Blood Donation Camp

Details	Information
Activity Name	Blood Donation Camp
Organising Unit/Agency/Collaborating Agency	GH Palani
Name of the Scheme	NSS
Year of the Activity	2020
Number of Students Participated	90
Details of the Collaborating Agency	Government hospital providing medical services
Role and Contribution	Conducted the blood donation drive and health check-ups

Introduction: The Blood Donation Camp aimed to address the need for blood donations and promote the importance of regular blood donation among students and the community.

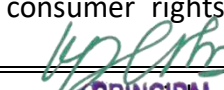

Activities Conducted: Blood donation drives and health check-ups.

Outcomes and Impact: Significant contributions to the local blood bank and increased awareness about the health benefits of blood donation.

Feedback: Positive feedback was received from participants on the smooth organization and conduct of the camp, with suggestions for more frequent blood donation drives.

6. Awareness Programme on "Consumer Rights and Wasting Food"

Details	Information
Activity Name	Awareness Programme on "Consumer Rights and Wasting Food"
Organising Unit/Agency/Collaborating Agency	Consumer Rights Dept, Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2020
Number of Students Participated	45
Details of the Collaborating Agency	Government body responsible for consumer rights education and enforcement
Role and Contribution	Provided expertise and materials on consumer rights and food waste reduction

Mobile: +91 - 9524124125

CHRISTIAN COLLEGE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai.)

Introduction: The Awareness Programme on "Consumer Rights and Wasting Food" aimed to educate students and community members about their consumer rights and the importance of reducing food waste.

Activities Conducted: Sessions on consumer rights and protections, and discussions on the impact of food waste.

Outcomes and Impact: Increased awareness of consumer rights and the significance of reducing food waste.

Feedback: Positive feedback was received on the relevance and importance of the sessions, with suggestions for more practical examples and real-life scenarios.

7. Awareness Program on "First Aid against Snake Bite & Seriousness of Using Drugs"

Details	Information
Activity Name	Awareness Program on "First Aid Against Snake Bite & Seriousness of Using Drugs"
Organising Unit/Agency/Collaborating Agency	Team from Kumaran Hospital, Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2020
Number of Students Participated	60
Details of the Collaborating Agency	Hospital providing medical education
Role and Contribution	Conducted awareness sessions on first aid for snake bites and the dangers of drug use

Introduction: The Awareness Program on "First Aid Against Snake Bite & Seriousness of Using Drugs" aimed to educate students and community members about providing first aid for snake bites and the serious consequences of drug use.

Activities Conducted: Educational sessions on first aid procedures and discussions on the impact of drug use.

Outcomes and Impact: Increased knowledge of first aid practices and awareness of the dangers of drug use.

Feedback: Positive feedback was received on the informative sessions, with suggestions for more detailed and interactive sessions.

8. AIDS Awareness Programme in Ambilikai Arts College

Details	Information
Activity Name	AIDS Awareness Programme in Ambilikai Arts College
Organising Unit/Agency/Collaborating Agency	Ambilikai
Name of the Scheme	NSS
Year of the Activity	2020
Number of Students Participated	60
Details of the Collaborating Agency	Local college providing educational facilities
Role and Contribution	Hosted the program and facilitated sessions for students

Introduction: The AIDS Awareness Programme in Ambilikai Arts College aimed to educate students about AIDS prevention, treatment, and the importance of removing the stigma associated with the disease.

Activities Conducted: Educational sessions on AIDS prevention and awareness, and distribution of informational pamphlets.

Outcomes and Impact: Increased knowledge about AIDS among students, and promotion of a supportive and informed community environment.

Feedback: Positive feedback was received on the informative nature of the sessions, with suggestions for more interactive sessions and real-life stories to enhance understanding.

9. Tree Plantation Awareness Programme in Christian Polytechnic

Details	Information
Activity Name	Tree Plantation Awareness Programme in Christian Polytechnic
Organising Unit/Agency/Collaborating Agency	Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2020

Extension and Outreach Programs Consolidated Report for 2018-19

Introduction

This consolidated report provides an overview of the extension and outreach programs conducted by Christian College of Engineering & Technology (CCET) for the academic year 2018-19. Each activity aimed to foster community engagement, provide valuable experiences to students, and address various social, educational, and environmental issues.

Detailed Reports for Each Activity (2018-19)

1. Blood Donation Camp

Details	Information
Activity Name	Blood Donation Camp
Organising Unit/Agency/Collaborating Agency	GH Palani and Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2019
Number of Students Participated	60
Details of the Collaborating Agency	Government hospitals providing medical services
Role and Contribution	Conducted the blood donation drive and health check-ups

Introduction: The Blood Donation Camp aimed to address the need for blood donations and promote the importance of regular blood donation among students and the community.

Activities Conducted: Blood donation drives and health check-ups.

Outcomes and Impact: Significant contributions to the local blood banks and increased awareness about the health benefits of blood donation.

Feedback: Positive feedback was received from participants on the smooth organization and conduct of the camp, with suggestions for more frequent blood donation drives.

2. Blood Donation Camp

Outcomes and Impact: Improved health awareness and practices among female students.

Feedback: Positive feedback was received on the relevance and importance of the sessions, with suggestions for more frequent and detailed health awareness programs.

4. Awareness Programme on Road Safety

Details	Information
Activity Name	Awareness Programme on Road Safety
Organising Unit/Agency/Collaborating Agency	Traffic Police and Team from Oddanchatram
Name of the Scheme	NSS
Year of the Activity	2019
Number of Students Participated	30
Details of the Collaborating Agency	Traffic police responsible for road safety
Role and Contribution	Delivered sessions on road safety and demonstrated safe driving practices

Introduction: The Awareness Programme on Road Safety aimed to promote road safety and the importance of following traffic rules among students and the community.

Activities Conducted: Sessions on road safety and demonstrations of safe driving practices.

Outcomes and Impact: Increased awareness of road safety measures and encouraged adherence to traffic rules.

Feedback: Positive feedback was received on the practical demonstrations and informative sessions, with requests for additional safety workshops covering other aspects of road safety.

5. AIDS Awareness Programme in Christian Matriculation School

Outcomes and Impact: Increased awareness of environmental conservation and active participation in tree plantation.

Feedback: Positive feedback was received on the hands-on experience and environmental lessons, with recommendations for regular follow-up activities to ensure the growth of planted trees.

7. Rally about Importance of Traffic Rules

Details	Information
Activity Name	Rally about Importance of Traffic Rules
Organising Unit/Agency/Collaborating Agency	Traffic Police Station from Oddanchatram to CCET Campus
Name of the Scheme	NSS
Year of the Activity	2019
Number of Students Participated	90
Details of the Collaborating Agency	Traffic police responsible for road safety
Role and Contribution	Coordinated the rally and provided safety guidelines

Introduction: The Rally about the Importance of Traffic Rules aimed to raise awareness about traffic rules and promote road safety among students and the community.

Activities Conducted: Rally through designated routes and distribution of safety guidelines and pamphlets.

Outcomes and Impact: Increased awareness of traffic rules and road safety, promoted responsible behavior among road users.

Feedback: Positive feedback was received on the organization and impact of the rally, with suggestions for similar initiatives in different locations.

8. Cleaning Work in Odaipatty Village

Details	Information
Activity Name	Cleaning Work in Odaipatty Village
