**Christian College of
Engineering & Technology**

HOSTEL DETAILS

Christian College of Engineering and Technology has two separate hostels for men and women to provide a safe, comfortable, and friendly environment for students. It offers well-maintained rooms, clean bathrooms, nutritious meals, and essential facilities to ensure a pleasant stay. The hostel is supervised by responsible wardens who maintain discipline and support students whenever needed.

The hostels also provide common areas for studying and recreation, along with facilities such as Wi-Fi, drinking water, electricity, and regular housekeeping. Students from different backgrounds live together, creating opportunities to build friendships, develop independence, and learn important life skills.

Overall, the hostels provide a homely atmosphere where students can focus on their studies while enjoying a secure and supportive living experience.
